

PGT WINDOWS
and DOORS

Sparta® Picture Window/ Architectural

PW/AR4120A

The PGT Sparta® Aluminum 4120 Picture/Architectural Window is engineered for long-lasting performance and resistance to the elements, even in demanding climates. Its clean, streamlined profile complements a wide range of architectural styles, and customization is available with various frame finishes, glass options, and grid patterns to suit your design preferences. As a fixed window, it also enhances energy efficiency and security by eliminating operable parts.

What you can expect

EXCEPTIONAL STRENGTH

- Impact glass resists intruders
- Sturdy aluminum frame delivers performance for years to come

VISUAL APPEAL

- Available in an array of interesting sizes and shapes
- Allows for the perfect view and natural light to fill the space

Engineered to perform

- Nominal 2" window frame depth
- 1/2" flange frame
- Integral nail-fin frame type available
- Easy to install
