

A woman with long, wavy brown hair, wearing a light-colored, short-sleeved, button-down dress with thin vertical stripes and a matching tie belt, is standing at a wooden dining table. She is carefully placing a white folded napkin onto a dark plate. The table is set with another dark plate, silverware, and two glasses of wine. A vase with greenery is on the left. Large windows in the background show a lush green outdoor scene. The overall atmosphere is warm and elegant.

V250

A bright, modern dining room with large windows, a wooden table, and a woman standing by. The room features a high ceiling with a wooden beam structure, a large abstract painting on the wall, and a dining table set with a vase of flowers and wine glasses. A woman in a striped dress stands near the table, smiling. The floor is covered with a patterned rug, and the walls are a neutral tone. The overall atmosphere is warm and inviting.

Contemporary look

The clean lines convey a contemporary look and can help enhance your home's modern architectural style.

VIEWING AREA

Slim frames

The slim frame profile offers an increased viewing area and allows more natural daylight to flood the room.

INSTALLATION CONFIGURATIONS

Buying windows doesn't have to be complicated. MILGARD makes it simple, from the planning stages through project completion. We'll help you understand which frame type suits your project and home style.

Nail Fin

The nail fin is attached directly to the house's frame in new construction and replacement projects where studs are exposed.

Z-Bar

This replacement window configuration comes with a flange on the exterior of the window to cover and seal the frame on home with stucco.

Block

Commonly used for replacement projects, this window inserts into your existing frame, leaving interior and exterior trim undisturbed.

"THESE WINDOWS ARE EXTREMELY NICE. EASY OPERATION, NICE LATCHES, BEAUTIFUL LOOKING, AND A GREAT ADDITION TO OUR HOME'S OVERALL LOOK."

— Boise, ID

OUR APPROACH

Our windows insulate as well as elevate, tirelessly working to seal out the elements and create homes that are protected, comfortable, and quiet. The path to perfect windows and doors has never been more clear.

Window features

1 VINYL FRAME

Crafted with a unique vinyl formula, enjoy low-maintenance, high-performance vinyl with long-lasting comfort.

2 SAFETY AND SECURITY

Features the Positive Action™ locking system that exceeds forced entry codes, giving you peace of mind in your home.

3 FRAME DEPTH

Custom made to your specifications with a 2 ⁷/₈" or 3 ¹/₄" jamb depth, which effortlessly combines superior strength and style.

4 ENERGY EFFICIENT

Tested and built for your climate, our windows and doors adhere to ENERGY STAR® v7 requirements for energy performance.

Hardware color will match interior frame color selection.

On-screen and printed color representations may vary from actual finish colors.

*Finish availability varies by location. Please contact your Milgard Representative for more information.

GLASS

Select clear glass or choose from an assortment of obscure options for privacy in a bathroom or bedroom. We also have tinted glass for additional shading from direct sunlight.

ENERGY EFFICIENCY

Our products can meet ENERGY STAR® standards in the climate zones we serve. Our warm-edge spacers help to lower conductivity, improve argon gas retention, and increase condensation resistance. Low-E coatings help reflect the sunlight away from your home, maintaining interior temperatures.

What is Low-E?

Low-E glass blocks the bad stuff and lets in only the light you want.

GRIDS

Enhance your home's aesthetics with a variety of grid styles and configurations. Select grids placed inside our insulated glass units for easy cleaning, or check rails for a more contemporary style.

SCREENS

Choose from standard screens or PureView® mesh for a clearer view outside. All screens come with pull tab for easier removal and installation.

Standard Mesh
Lets fresh air in and keeps most everything else out

PureView® Mesh
Finer mesh allows for clearer views and better particle protection

Glass options may vary by location; please consult your MILGARD dealer for glass options available in your area or visit milgard.com.

OUR COMMITMENT TO YOU

We have a dedication to quality and build our windows and patio doors to last. With the V250 Style Line® Series, you're covered with our Lifetime Limited Warranty.

OUR GOAL IS 100% TROUBLE-FREE

With a goal of 100% trouble-free, our teams work tirelessly to help ensure your project stays on track.

From regular inspections and quality audits throughout the manufacturing process, we strive to ensure that the final product you receive meets our high standards.

In addition, most MILGARD windows and patio doors carry the American Architectural Manufacturers Association (AAMA) Gold Label to show they have met their strict requirements, which are tested and certified by a third party. This rigorous testing includes: water penetration, air leakage, structural integrity, and forced entry resistance.
