

Sparta® Single Hung Window

SH4100A

The PGT Sparta® Aluminum SH4100 Single Hung Window provides long-lasting strength and resistance to the elements, requiring minimal maintenance over its lifespan. Its streamlined profile and clean lines offer a modern, attractive appearance that suits many architectural styles. The window is available in multiple frame finishes and glass options, allowing for customization to match your project's aesthetic and performance needs. Smooth sash operation ensures easy opening and closing, and optional grid patterns are available for added design versatility.
