Carbonite Collection

BLACK CAPSTOCK WINDOWS AND DOORS

By MITER Brands[™]

Darkness that endures

For those who refuse to choose between a bold statement and a lasting one, MI's Carbonite Collection offers a complete family of black capstock windows and doors. A unified collection of home-defining depth and enduring craftsmanship.

THE FINISH IS CARBONITE. THE STANDARD IS MI.

EXPERIENCE IS EVERYTHING

With decades of proven results and a reputation built on reliability, we're the partner you can count on—project after project.

CONFIDENCE TO CREATE

Every detail matters. From robust testing and precision manufacturing processes to a relentless pursuit of quality, our products are designed to perform, so you can focus on building.

EVERY DETAIL, EVERY DAY

Our experts collaborate with you to match the right products to the right project—balancing design, performance, and budget—while delivering the service and support your business requires.

Engineered to defy time

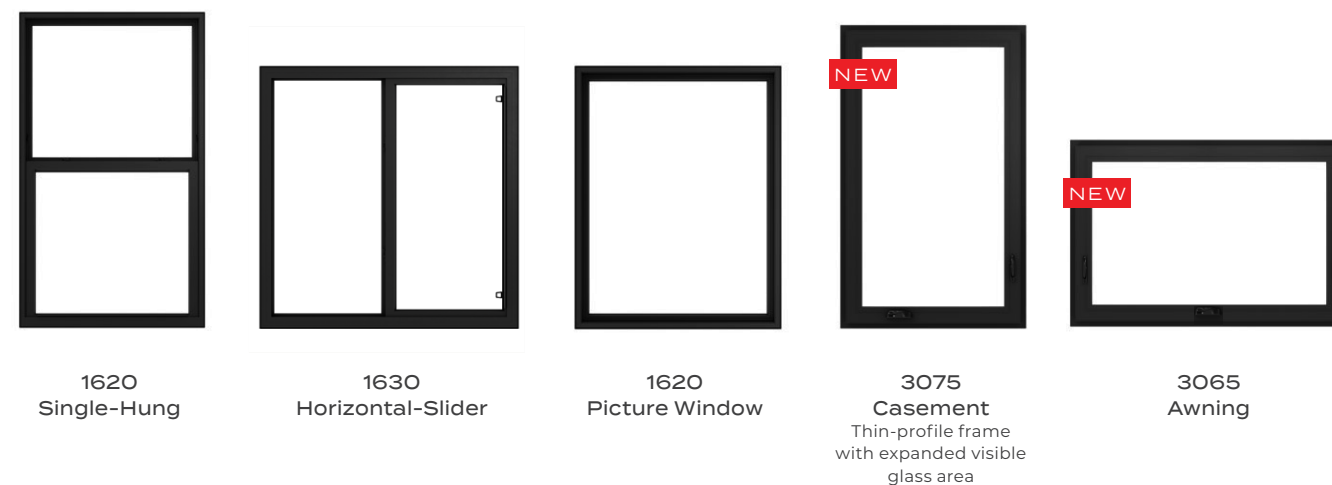

Dark lines that define an entire home

Under extreme heat and pressure, carbon becomes one of the most enduring substances on earth. That same intensity defines Carbonite capstock — a striking, deep black finish that won't lose its edge. Defining looks that continue to perform and impress year after year.

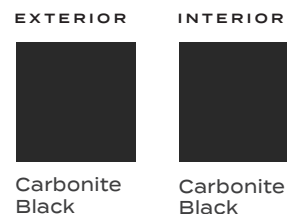

One collection for every opening

The Carbonite Collection is a complete house package from a single source. Windows and doors ship together, arrive together, and install seamlessly.

COMPLETE RANGE OF FIXED AND OPERABLE WINDOWS

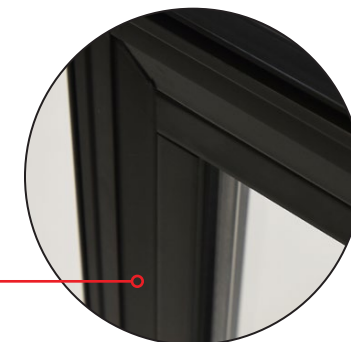

FINISH OPTIONS

3 1/4"

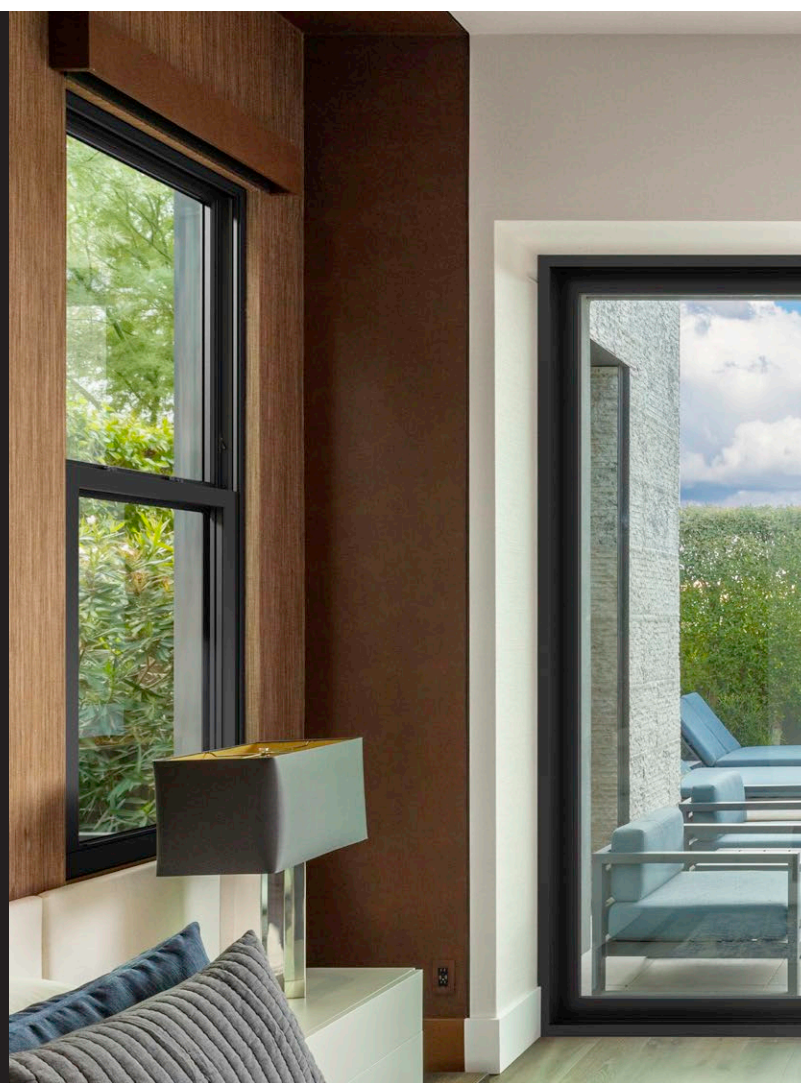

FRAME DEPTH

The entire collection fits the standard frame depth across the replacement pocket—one product family for new construction and remodel and replacement.

Why Carbonite Capstock Collection

- COLOR IS IN THE MATERIAL, NOT ON IT**
A solid, durable black finish is fused into premium vinyl.
- SMOOTH AND UNIFORM**
No texture, embossing, or batch variation.
- PURPOSE-BUILT FOR BLACK WINDOWS**
Capstock's superior heat resistance stands up to intense sun exposure.
- VIRTUALLY MAINTENANCE FREE**
Resists fading, chalking, and scratching. No painting, staining, or caulking needed.

VX4500 Moving Glass Wall System

Transform any wall into a dramatic opening with our most configurable door system

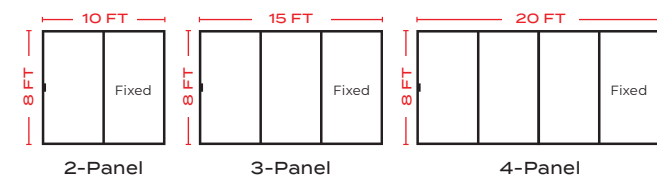

The VX4500 system is specifically built for the large openings and indoor-outdoor transitions that define upscale modern living spaces. Available in 2-track, 3-track, 4-track, pocket, corner, and corner-pocket configurations—with panels able to disappear fully into the wall for unobstructed openings.

OPERATING STYLES

Stacking Doors

Each panel stacks on top of each other as it slides down the track. When fully open, your living room extends into your patio space, filling your home with natural light and fresh air.

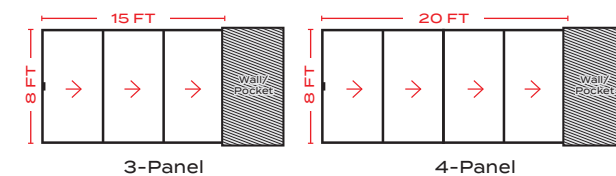

MAXIMUM STACKING DOOR SIZING*

Pocket Doors

The panels of your patio doors disappear from view when the door is open. As the panels slide open, they tuck into a wall pocket out of sight creating an open-air retreat.

MAXIMUM POCKET DOOR SIZING*

Opposite handing available. Please consult your MI dealer for details.

* Sizes have been rounded to the nearest foot; please consult dealer for exact dimensions. Retractable screens available on pocket doors with flush handles only and only in select sizes.

HARDWARE

Flush-Mounted Handle
Narrow design allows panels to easily slide past each other

Standard Handle
Color matched to the frame

Performance beyond the surface

Every Carbonite Collection product delivers MI's standard of excellence — the thermal efficiency, structural integrity, and code compliance our vinyl windows and doors are trusted to achieve.

ENDURING STRENGTH

Welded, multi-chambered frame and sash construction built to meet or exceed evolving code requirements.

ENERGY EFFICIENT

Low-E and high-performance Low-E glass options meet ENERGY STAR® standards.

TRUSTED MI WARRANTY

Every Carbonite Collection window and door is manufactured at MI's Flower Mound, TX facility, meeting MI's standard of excellence. Backed by an industry-leading limited lifetime warranty.
