

WinGuard® Aluminum Picture Window/ Architectural Window

PW/AR7720

The PGT WinGuard® PW/AR7720 Picture Window/Architectural Window is designed to add dramatic style and lasting protection to any home or commercial project. Available in a wide range of custom shapes—including arches, circles, triangles, and more—the PW/AR7720 brings unique visual interest and abundant natural light to entryways, living rooms, and stairwells. Its heavy-duty aluminum frame and impact-resistant glass provide superior strength and security, meeting stringent coastal building codes and offering peace of mind in hurricane-prone regions. With multiple frame colors, glass tints, and grid options, the AR7720 architectural window allows for highly personalized design while delivering exceptional durability and low maintenance.
